

INVISIBLE HEAT[®]

Paintless Dent Repair (PDR) Kits

Clean dent repair in a fraction of the time compared to other conventional methods.

Inductor® Lite PDR Kit (ILP1-111)

The Inductor Lite is a compact and powerful 2,400W induction heater with a digital interface for manual heat control. The Inductor Lite PDR Kit offers flexible 85V to 265V voltage to fix hail dents, door dings, and other minor soft dents, that can be activated by a switch on the attachment rather than a foot pedal.

ILP1-111 Includes:

- > Inductor Lite Universal Power Supply (ILP1)
- > PDR Baton Attachment (IL-111)
- > 1 Year Warranty on Power Supply and Attachment

Inductor® Pro-Max® PDR Kit (PMP1-1411)

The Inductor Pro-Max PDR Kit is used to remove hail dents, door dings, and other soft dents without damaging the paint. It offers a foot pedal for hands-free activation.

PMP1-1411 Includes:

- > Inductor Pro-Max Power Supply (PMP1)
- > Concentrator Attachment (U-411)
- > 1 Year Warranty on Attachments
- > PDR Baton Attachment (U-111)
- > 2 Year Warranty on Power Supply

Note: the PDR Baton is ideal for removing smaller and pinpoint dents, while the concentrator is useful for removing large dents.
